1. **Giving an order for payment from your account:** When you give us an order to make a payment from your account, we will need you to provide us with the details of the beneficiary of the payment (i.e. their IBAN & BIC, together with any relevant identification details for the payment service provider ('PSP') with which they hold their account). Depending on how you place your order with us (i.e. online, in our offices) we may also need you verify that order by signature, by use of a password, or by use of a PIN<sup>2</sup>, depending on the type of account that you hold. All of this information, taken together, is known as the 'unique identifier' that you must give us. In giving us that unique identifier, you will be consenting to our execution of that order for you. You cannot withdraw that consent after you have given it to us. However, if the order is for a direct debit to be taken from your account, you can revoke that order and your consent by notice to the beneficiary of that direct debit up to close of business on the business day before the funds are to be debited from your account. If the order is for a standing order to be taken from your account, you can revoke that order and your consent by [calling into our offices] up to close of business on the Business Day before the funds are to be debited from your account. In exceptional cases, we may allow you to withdraw your consent after the times specified above, but our specific agreement will be required and we will not be obliged to do this.
2. **Cut-off times:** When we are given an order in relation to a payment on your account, we must be given that order before 11 a.m... On one of our Business Days. If we are given that order after that time, we will be deemed to have received that order on our next following Business Day. If we agree with you that an order is to be executed on a particular Business Day, then we will be deemed to have received that order on that particular Business Day.
3. **Execution times:** We confirm that we have up to the end of the first Business Day following the date of deemed receipt under 2 above to so credit that amount. If the order is initiated by paper we will have an extra Business Day to do this.
4. **Spending limits and payment instruments:** If we give you a payment instrument on your account (i.e. a card with a PIN number, or use of online banking with a password etc. If we give you such a payment instrument for your account, you must, as soon as you receive it, take all reasonable steps to keep personalised security credentials safe including not disclosing your Pin or Password to anyone and ensuring you keep your Pin and Password safe and secure at all times. If the payment instrument is lost, stolen, misappropriated or used in an unauthorised manner, you should notify us by telephoning our office on 045 -87622 during opening hrs. We reserve the right to block your use of a payment instrument for any of the following reasons:
  - (a) the security of the payment instrument;
  - (b) if we suspect that it is, or has been, used in an unauthorised or fraudulent manner;
  - (c) (if the payment instrument is connected with the provision by us of credit to you) a significantly increased risk that you may be unable to fulfil your obligations to pay; and
  - (d) Our legal or regulatory obligations, including our national or European Union obligations.

If we block your use of a payment instrument, we will tell you about it (and the reasons for it) by telephone or a written letter, unless giving you that information would compromise our security or would be prohibited by law. You may request that we unblock the payment instrument and we will do so, or replace the payment instrument, once the reason for blocking no longer exists.

7. **Exchange rates:** If any payment on your account (including a withdrawal by you from your account) involves a currency conversion being made by us, we will use a reference exchange rate [Life Credit Union do not currently offer a Foreign Exchange facility] (the '**reference exchange rate**'). The reference exchange rate will change [daily –to be confirmed] and this is the basis on which we will calculate the actual exchange rate. On the date on which we effect the currency conversion, we will take the reference exchange rate that applies on that date, add a fixed amount of [amount to be confirmed] and the total will equal the actual exchange rate that is used by us in the currency conversion. You can find out changes to the reference exchange rate by contacting us as set out on page 1 above.
8. **Giving you information:** If we need to communicate with you, give you information or notice of any matters relating to this Framework Contract, we will do so with a notice in writing in our main office and on our website unless we state otherwise herein. We will, however, make reasonable efforts to recover the funds involved.

13. **Our liability if you make a payment out of your account:** If you give us an order to make a payment from your account, we are liable to you for its correct execution unless we can prove to you (and if necessary to the beneficiary's PSP) that the beneficiary's PSP received the payment. If we are so liable to you for a defective or incorrectly executed order, we will refund the amount of it to you and, if applicable, restore your account to the state that it would have been in if the defective or incorrect transaction had not taken place. Irrespective of whether we are liable to you or not in these circumstances, we will try to trace the transaction and notify you of the outcome. If we refuse to execute a payment transaction we will provide the reasons to you and the procedure for correcting any factual mistakes that may have led to the refusal unless prohibited by law or regulatory requirements.

14. **Our liability if you receive a payment in to your account:** If the payer's PSP can prove that we received the payment for you, then we will be liable to you. If we are liable to you we will immediately place the amount of the transaction at your disposal and credit the amount to your account. If you have arranged

for a direct debit to be paid into your account, we will be liable to transmit that order to the payer's PSP. We will ensure that the amount of the transaction is at your disposal immediately after it is credited to our account. If we are not liable as set out above, the payer's PSP will be liable to the payer for the transaction. Regardless of whether we are liable or not, we will immediately try to trace the transaction and notify you of the outcome.
